

Specialty sensor and buzzer switches

CSW Series

The CSW Series of switches were designed for a concealed desk application. They are used to release an electric lock or device from a remote location. The CSW Series currently operates via momentary action toggle switches that can be surface mounted.

CSW-100, CSW-200

Features and benefits

- Made from PVC material
- CSW-100 - flush mount
- CSW-200 - surface mount
- SPDT switch
